

CASACOR / MIAMI

D.F. ROMERO

Born 1985 in Miami, Florida

Lives and works in Redland, Florida

Self taught multi-disciplinary artist predominantly focused in painting and ceramic work.

Most recently, the use of unconventional painting materials such as mortar and plaster have been in the forefront of Romero's body of work. Inspired by the degradation of natural lands due to encroaching urban development, these works explore the delicate balance between humans and the natural environment.
